

Ciclo das águas

Fernando Pellon

Eu sei que fui água do balde
Que você jogou fora
E que escoei pelo ralo
Indo assim embora

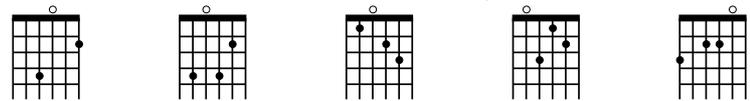

Penetrando no vil submundo
De tantos dejetos humanos
Sarjeta onde agora padeço
Com meus desenganos

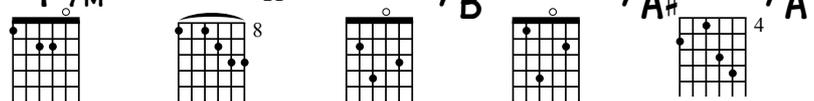

Mas a vida um dia, eu sei
Me fará desaguar
No curso de um rio
Num lago
Ou mesmo no mar

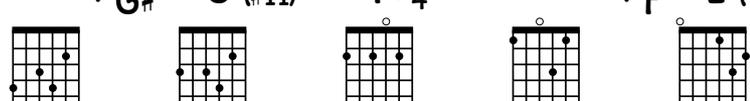

E na presença do sol
Verei brilhar a esperança
Sendo erguido aos céus
Até a nuvem branca

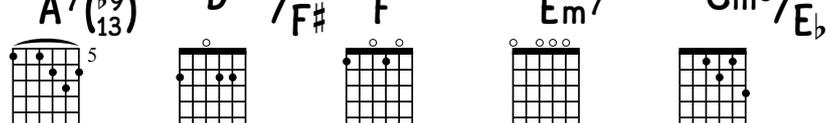

Quando findar a estiagem
Pretendo voltar
Fertilizando algum campo
Fazendo o amor brotar

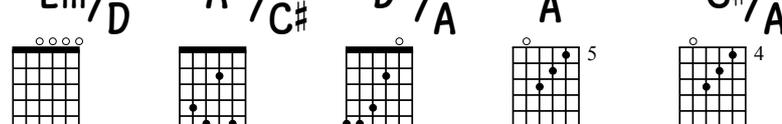

E caso isso aconteça
Guardo um ardente desejo
Ter destino diferente
Das águas de despejo
